Weddings in the Garden

A warm welcome

Welcome to ten acres of 350 year old early 18th century gardens and unique survival of a formal baroque garden.

Rescued, nurtured and owned by a charitable trust, we are passionate about maintaining this incredibly special space in its largely period style. A little spot of baroque countryside just 20 minutes outside of central Birmingham.

We limit our wedding celebrations to just a handful a year and are passionate about enabling the few we do host, to perfectly reflect the couple themselves. With us there are no set packages, you are free to build your most perfect day your way and we will do all we can to help you facilitate that.

When choosing Castle Bromwich Historic Gardens as the home of your wedding celebration, not only are you acquiring the most beautiful blank canvas for your day, but you are also contributing positively and directly to the Trust's ongoing work to preserve and maintain the historic and horticultural spaces as well as protecting the valuable wildlife habitats on the whole estate.

Thank you for sharing this wonderful place with us.

" The perfect setting for couples who love the great outdoors."

Independent by nature

The most important day of your life deserves a special setting, a location that's enchanting, steeped in history and unique.

Here, you have access to a beautifully restored 10 acre historic Grade II* listed walled garden – one of the only remaining 18th Century formal English gardens in the UK - without any of the formalities. Enabling you to create your perfect wedding day just the way you wish.

The flexibility you desire and the freedom you deserve, to design your wedding, your way.

Our 2431 sq ft Archery Lawn is the perfect spot for your choice of tipi, bell tent or marquee, with the rest of the 10 acre site available for you and all your guests to enjoy. Offering endless opportunities for some incredible photographs of your special day.

Licensed for Civil Ceremonies

We are licensed by Solihull registry office for legal wedding ceremonies on our site. With our recently refurbished music room available for pre-wedding interviews and the signing of the register, your ceremony can be held anywhere within the gardens with either a celebrant or registrar as you wish.

We are a proud LGBTQIA+ wedding venue.

" The most magical experience we could have wished for."

Hiring the Gardens

When booking your event with us, you will have access to the entire Gardens from 10.30am until midnight on the day of your celebration (music off by 11pm) and includes the following:

- Maximum capacity - 250
- Access up to 48 hours before and after your event for set up and breakdown.
- Car park with adequate space for your visitors.
- Domestic power supply.
  Please note you may need to hire in a generator if running lots of equipment.
- Access to drinking water and toilet facilities (3 stalls each male and female plus 1 disabled unit).
  Please note we recommend you consider additional toilet facilities for larger parties.
- Gardens staff on site until midnight.
- Inclusive use of our standard stretch tent
  Please note standard stretch tent does not include flooring. Extended stretch tent does.
- We also have furniture for up to 50 people that you're welcome to make use of.

Small / Intimate Weddings

You are welcome to make use of our standard stretch tent and furniture (between April and October) if you're planning an intimate celebration of up to 50.

Larger Weddings

For larger weddings of up to 250, you have the option to source your choice of marquee / tipi / yurt etc or we can arrange an extension to the stretch tent for a more budget friendly option.

Additional information

We require a 20% deposit to secure your booking with the balance due two months prior to event.

The Gardens will remain open to the public, until 4.30pm unless you choose to arrange exclusivity for an additional fee.

With the Gardens being so lovingly restored over the 35+ years of Trust ownership, we are incredibly keen to ensure the space retains its beauty and the surrounding wildlife is also well looked after.
It's for this reason that we do ask that you respect the following restrictions:

- Natural confetti is allowed, but in the Melon Ground and courtyard only please.
- Neither fireworks or fires are permitted due to potential damage to the surrounding - often very dry - woodland. Professionally hired and managed fire pits may be allowed with prior agreement. Sparklers are permitted but only on the Holly Walk and in courtyard areas.
- We also ask you to refrain from flying lantern and balloon releases as these can prove harmful when found and eaten by the surrounding horses, sheep and cattle.
- Celebrant led ceremonies are of course welcome, however, if choosing a legal ceremony on site at Castle Bromwich Historic Gardens, you will need to arrange via Solihull registry office.

"A wonderfully relaxed and enjoyable experience.
I cannot recommend this venue highly enough."
